

VIVA Healthy Life

Fourth Quarter 2018

350 Paularino Ave,
Costa Mesa, CA 92626

Keep Going and Stay Strong!

As a VIVA entrepreneur, at this fourth quarter of the year you should be very close to reaching your 2018 health and success goals. Are they just within your reach or do you have quite a distance to go before the clock strikes midnight on December 31st? Wherever you are in your journey this year, be encouraged that the path to your enjoyment of wellness and financial satisfaction is absolutely possible! How quickly and how much is entirely up to you. Have you determined what really matters most to you? Perhaps it is an optimally healthy life, a happy and well family, a higher level of lifestyle, cherished friendships and prosperous relationships, or any number of wonderful things that can fulfill you. Whatever your dream is, keep it going in your heart and stay strong in action to see it come true. With the resources, products and support of VIVA by your side all the way, you have every opportunity to make it happen, even before the end of 2018!

As we come together for the holidays and acknowledge with gratitude the very good things we are privileged to enjoy in this life, everyone at VIVA Life Science headquarters is thankful for every VIVA member and customer. We serve you with gladness and celebrate your successes with you. May your holidays be truly delightful, rich in goodness, and prosperous in every way.

DON'T FORGET...It's time to RENEW your VIVA membership!

Be sure to get your product orders in before year's end to maintain your distributor level status.

Renew your 2019 Distributor Membership – Deadline to renew is December 31, 2018.*

1. Renewal is automatic and FREE if you have made any purchase of VIVA products during the year of 2018.*
2. All others must send in the Renewal Form and \$25.00 renewal fee to keep active.

*Distributors at Director Level or above must have 300 PV for the year 2018. Otherwise you may renew at the Manager level by following steps 1 or 2 above.

Renew by phone with your credit card or request a renewal form by calling Customer Service at 1-800-243-8482 for English or 1-800-243-1688 for Chinese. If we do not hear from you by December 31, 2018, we will regretfully remove your name from our active database. After this date you may rejoin as a new sign-up.

Green and Gold—The Colors for a Healthy Immune System

VIVA Green Barley® and BioGarlic®

Each of these VIVA nutraceuticals is uniquely formulated and produced to bring out the best in their own individual properties and benefits.

Together, they bring out the best in your immune system function and revitalization of your body's whole health.

VIVA Green Barley® provides the green food nutrition often missing in the diet – which is essential to maintaining a healthy alkaline balance in the blood and fluids of the body that is so important for a fully functioning and strong immune system.

VGB exhibits highly beneficial antioxidants activity, which includes superoxide dismutase (SOD), one of the most powerful free-radical fighting cell-protectors known to science.

VGB's chlorophyll and dietary fibers help boost detoxification of the intestinal tract...the depository of the wastes generated by metabolism and immune system defenses.

BioGarlic® is VIVA's golden whole food garlic powder in capsule form that has been laboratory tested to ensure the bioavailability of its most valuable constituent – *allicin* – a sulfur compound with proven biological benefits.

BioGarlic®'s garlic ingredient not only contains allicin, but also the natural components that make it a wholesome supplement: selenium, germanium, calcium and vitamins A, C and E, which support healthy cardiovascular, circulatory, and immune function.

BioGarlic® contains added ingredients to enhance its health-promoting properties: parsley for chlorophyll, capsicum for circulation, lemon bioflavonoids and rutin provide antioxidant protection.

Take double good care of your immune system...give it the green and gold super-nutrition it needs every day!

Feed Your Brain...Feed Your Heart...Live Well!

VIVA Smartee™ ...so simple...so effective!

Youthful cognitive and cardiovascular function is possible when you give your brain and heart the essential nutrients they crave to build healthy nerve cells and blood vessels.

What your Brain and Heart want:

Essential Fatty Acids – Both the brain and the heart depend on an adequate supply of good fats in the diet (especially EPA and DHA Omega-3's) to create and maintain healthy cells with strong protective membranes. They cannot produce these nutrients themselves...and if your meals are insufficient in these mighty good fats you put yourself at risk of a breakdown in the proper function of these vital organs.

Antioxidants – Defeating free-radical overload with an abundance of antioxidants brings much needed relief to stressed-out blood vessels and neuro pathways. Preserving your cells' integrity from oxidative damage gives you that extra boost toward achieving better memory, circulation, and quality of life.

Phospholipids – These specialized fats are a major component of all biological membranes and phosphatidylcholine in lecithin is a phospholipid structured with choline, a powerful and independent factor in protecting the liver, which subsequently helps protect the cardiovascular system. It also helps make the neurotransmitter acetylcholine, which is crucial for brain functions.

VIVA Smartee™

Contains all these critical nutrients...in one little softgel!

- Essential Fatty Acids EPA and DHA from fish oil in significant and efficient potencies
- Antioxidant vitamins A and E
- Phospholipids from lecithin

Extraordinary nutrition with serious benefits...from VIVA Life Science...for YOU!

Get Your VIVA Smartee™ Today!
